

BLUEBERRIES

AMERICA'S FAVORITE BERRY!

HBF blueberries are available year round. With berries from several diverse regions, HBF can supply a year-round blueberry program. Hurst's blueberries are sold in several clamshell sizes. The clear clamshell design protects the berries and allows you to see the fruit easily. During peak season, blueberries are typically sold in 4.4 oz., 6 oz, 1 pint, and 2 lbs.

Available: January through December (Year Round!!)
